This year's camp is a curated look at stories in the Bible of kids who were created with a purpose and all make a difference. Our stories include: David being chosen for his character and not his appearance, The boy who willingly shares what he has so that Jesus can perform a miracle with it, Esther being reminded of her opportunity to do something meaningful, Joseph overcoming adversity on his path towards God's future for him, and Samuel being called by God. Camp will be a time to inspire & encourage the students as they explore their purpose in Christ.

For by him all things were **CREATED**, in heaven and on earth...
