SPONSOR'S ROLE

NOTES

As a camp sponsor, you have two primary responsibilities, the physical well being of the campers and the spiritual well being of the campers. It is not possible to cover all situations but you should realize that most circumstances call for "common sense" actions. Simply intervening as an adult authority in situations that may result in injury, damages or personal harm will help all to have the most positive camp experience.

Focus for Spiritual Wellbeing

- Set the example
- Stay involved with the campers
- Be Patient and Listen
- Pray for your campers

Focus for Physical Wellbeing

- Be familiar with the emergency procedures
- Adhere to and enforce all the camp rules
- Be vigilant of the Child Protection warnings

Each camper and You are here by God's design. Each camper may have a life changing experience during this week of camp. You have the opportunity to be an active part of that experience. Prayerfully seek those opportunities to be a witness and to be used by God in impacting those lives.

Also, know that you are part of a team. You may not feel prepared to handle certain situations but you are supported by the camp program staff and the Alto Frio staff. Whether it be a spiritual question or a disciplinary issue, we are here as a resource to you. Don't be afraid to ask for help.

CHILD PROTECTION

Child abuse in any form will not be tolerated. If a sponsor discovers evidence of child abuse or sexual molestation, it should be immediately reported to the Camp Director and the Alto Frio Administrator.

This would include any of the following:

Physical Abuse—includes bodily harm or injury caused by blows or harmful substances, as well as exposure to unreasonable risk of harm or injury.

Emotional and Psychological Maltreatment—attacks a child's self-image, often through labels and ridicule.

Neglect—is the failure to provide for a child's physical, medical, emotional, and safety needs.

Sexual Abuse—can occur through showing and communicating as well as through touching. Not only forced activity, but also permission and persuasion, can be abusive.

• Non-touching sexual abuse offenses include:

1. Indecent exposure / exhibitionism
2. Exposing children to pornographic material
3. Deliberately exposing a child to the act of sexual intercourse
4. Masturbation in front of a child

• Touching sexual offenses include:

1. Fondling
2. Making a child touch an adult's sexual organ(s)
3. Any penetration of a child's vagina or anus by an object that doesn't have a medical purpose

Other types of abuse—include abandonment and threats of harm.

REMEMBER, EVEN APPEARANCES ARE IMPORTANT

Avoid any compromising situations. Children can mistake well-meaning attention as sexual misconduct.

Child Abuse or Sexual Abuse, real or alleged, must be reported to proper authorities for investigation as required by Texas state law.

CAMP RULES

1. **Personal Responsibility**—Respect others and the camp. Any actions that may cause injury, damage, or harm to yourself, another person or the facility should be avoided.
2. **Safety**—Camp Sponsors are given guidelines and emergency procedures. Follow all facility and safety instructions given by Sponsors for you own personal wellbeing.
3. **Medical Protocol**—All personal medical prescriptions must be given to the Alto Frio Nurse at registration. The AF Nurse has oversight of all first aid and medical situations. Each camper must provide a completed and signed Medical Release Form at check-in.
4. **Property** —Each camp is assigned specific buildings and areas. Please go into those areas only. The River is not part of Alto Frio property. Campers should not go into the river unless part of a scheduled event.

6. **Vehicle Usage**—Vehicles should be parked in designated areas during camp stay. Campers should not be riding in or on any vehicle including golf carts.
7. **Dress Code**—Dress while at camp should meet the highest Christian standards. Campers with clothing that is too revealing, with inappropriate messages, or draws unnecessary attention will be asked to change into appropriate clothing. Example: Two-piece bathing suites should be covered with a colored t-shirt. For personal safety, shoes should be worn outdoors at all times.
8. **Restrictions**—The following items/activities are prohibited:
 - Alcohol & any illegal drugs
